## GRANDFATHER CLOCK

### CHAPMAN 2560

- This handsome transitional clock features a Manhattan finish on select hardwoods and veneers with a flat top pediment and gently curved bowed front complete with a curved glass door framed with bead molding.
- The clean white dial is framed with a brushed nickel finished bezel and offers stylized brushed nickel finished numerals at 12, 3, 6 and 9, with bar hour markers, and nickel finished hour and minute hands.
- The curved glass front door features nickel hinges and door pull.
- The brushed nickel finished grid pendulum is complemented by brushed nickel finished weight shells.
- An interior lamp illuminates the case, with an easy to reach roller switch on the back of the case.
- Cable-driven, Westminster chime Kieninger movement plays 1/4, 1/2, and 3/4 chimes accordingly with full chime and strike on the hour.
- Automatic nighttime chime shut-off option.
- Removable upper side glass panels allow convenient access to the movement.
- A bowed base, featuring graceful arched legs, supports the clock. Adjustable levelers under each leg provide stability on carpeted and uneven floors.
- Free engraved brass plate is included.
- Designed by Tom van Tamelen

Height 79.5" (202 cm)

Width 22.75" (58 cm)

Depth 14.25" (36 cm)
